

TEACHING AND LEARNING WITH AI IN STEM

 **FRIDAY, 24 APRIL 2026**

 **2:00PM–3:00PM (PT)**

 **VIRTUAL WEBINAR:**
bit.ly/STEM-AI

Dr. Sesh Murthy : Halicioğlu Data Science Institute

Dr. Keefe Reuther : Ecology, Behavior & Evolution

Join us for an exploration of how Generative AI is impacting STEM courses in higher education. This session features two innovators sharing novel approaches to using AI in the classroom. Discover how new tools and AI-driven methodologies are improving student engagement and outcomes in Math, Biology and other STEM disciplines.
